**IN RE: Complaint of XO Tennessee, Inc. Against BellSouth Telecommunications, Inc. and Request for Expedited Ruling and for Interim Relief**

**DATE: July 19, 2005**

---

At the February 28, 2005 Authority Conference, Chairman Pat Miller, Director Sara Kyle and Director Ron Jones, the voting panel assigned to this docket, ordered BellSouth Telecommunications, Inc. ("BellSouth") to convert existing XO special access circuits to XO UNE circuits at an interim conversion rate on a going-forward basis. These interim rates will be subject to a true up once a final rate has been approved. In an effort to derive a final rate for these conversions, BellSouth was ordered to submit its cost study no later than April 1, 2005. BellSouth requested and received an extension of time until April 21, 2005 to file its cost study and did so on that date.

All interested parties shall file comments in the above-referenced docket regarding the cost study filed by BellSouth no later than **2:00 p.m., Tuesday, August 2, 2005.**
